

FORTRESSTM

BY SHEARCORETM

FC SERIES DEMOLITION TOOL

The Fortress FC Demolition Tools are purpose-built for primary and secondary demolition, delivering exceptional crushing force and unmatched cutting power **all the way to the tip**.

Why call it a Demolition Tool?

The Fortress FC is a new class of tool with unique construction and capabilities. Its one-piece, weld-free upper jaw and press-fit pivot group maintain tight tolerances, allowing operators to cut rebar anywhere along the jaw right out to the tip.
